

bruce watson & tracey roberts

Bruce Watson & Tracey Roberts – an act bringing together two of Melbourne’s finest musicians, songwriters and entertainers.

Bruce is a favourite at music festivals all over the country and is one of this country's best song writers – a wordsmith who writes and performs with humanity, heart and humour. He will have you wowing at his linguistic prowess, shedding a tear at his poignant pieces and laughing your head off at some of his musical and lyrical antics.

Tracey is a warm, smooth, eloquent singer, a gorgeous pianist, and a passionate and captivating performer. She has performed internationally, and career highlights include playing support for Arlo Guthrie’s Australian Tour. Her music ranges from Celtic to jazz, and even a bit of cabaret. An entertaining, class act.

They perform a mix of their well known original songs along with a tasty selection of new numbers.

They make beautiful music together!
