## *Unsung Heroes of Australian History*

*I have seen several versions of this show over the years and it is still an inspirational and fascinating concert. Fabulous concept brought to beautiful fruition. For this one – bring your wallets as well – you will want to take away a memento!*

*Take three multi-talented musicians, powerful stories of ordinary Australians who have done extraordinary things, original songs, evocative images, lush musical arrangements, mudcake rich harmonies, free Anzac biscuits & Turkish delights – and you have Unsung Heroes of Australian History.*

***“These songs drip with the satisfying juices of solid research and sublime artistry.”***

*Clare Wright (Historian, Stella Prize winner, ABC presenter)*

*Multi-instrumental, original songs, narration and audio visual backdrop. We’d love you to meet some of the new characters the UHAH team have included in the show.*
