

Picking Your Nose at the Traffic Lights

(Capo 2) D (C) G (F)

I like to think I'm so-phiss - ti-cat-ed, And I'm sure you all know that I am, But

I've got some se - rets that I'd like to share, And I'll bet most of you are the same. *Chorus:* Cos I like

pick-in' my nose at the traf - fic lights, Think-in' no-bod - y will watch,

Si-lent-ly fart - ing so no - one will hear, And subt-ly ad-just - ing my crotch (or
(second

bra) time) (or both) (third time)

Well I like to think I'm sophisticated
And I'm sure you all know that I am
But I've got some secrets I'm going to confess
And I'll bet most of you are the same

*'Cos I like ...
Picking my nose at the traffic lights
Thinking nobody will watch
Silently farting so no-one will hear
And subtly adjusting my crotch*

Some people put on their make up at traffic lights
But personally I'm not one of those
Some use their phone but I leave mine alone
'Cos I'd rather be picking my nose

*Yes I like ...
Picking my nose at the traffic lights
Thinking nobody will watch
Silently farting so no-one will hear
And subtly adjusting my crotch (or bra)*

Now some people go to the ballet, or opera
The ponce around dressed up so smart
But have you ever noticed all the coughing that goes on?
That's to cover the noise of their farts

*'Cos they like ...
Picking their nose at the traffic lights
Thinking nobody will watch
Silently farting so no-one will hear
And subtly adjusting their crotch (or bra ... or both)*

So it's time to come out of the closet (water closet)
Acknowledge what's long been denied
So all round the world, every man, boy, woman and girl
Can pick thier nose ...
Adjust their crotch (or bra)
And fart ... with pride!

*'Cos we like ...
Picking our nose at the traffic lights
Thinking nobody will watch
Silently farting so no-one will hear
And subtly adjusting our crotch (or bra ... or both)*
