 If you can walk you can dance, if you can talk  
 You can sing

Don't tell me that you can't dance  
 Don't tell me you got two left feet  
 'Cos every body can move to the music  
 Everyone can feel the beat  
 You don't have to be Rudolph Nureyev  
 You don't have to be Margot Fonteyn  
 You just gotta let the music flow through you  
 Like cascading glasses of champagne

**Chorus**

Don't tell me that you can't sing  
 That at school they didn't want you in the choir  
 Our voice is an instrument that everyone plays  
 You've been playing it all your life  
 You don't have to be Pavarotti  
 You don't have to be kd lang  
 You just gotta have a song in your heart  
 Just let yourself do your thang!

**Chorus****Bridge:**

From Afghanistan to Zimbabwe  
 From Havana to Berlin  
 From Guatemala out to Galway  
 Everybody wants to dance and sing!

Don't tell me that you can't dance  
 Don't tell me that you can't sing  
 'Cos music is a part of what we all are  
 It just a very human thing  
 It's water in the desert, it's the salt in the sea  
 It's a blazing fire in the cold  
 It's our flesh and blood, it's the air we breathe,  
 It's food for the hungry soul

**Chorus**
