Ben Lee

C Dm
My head is a box filled with nothing
F G
And that's the way I like it

C Dm
Your body's a dream that turns violent

And that's the way I like it, and that's the way I like it
C Dm
The winter is long in the city

C Dm
She'd tell me about the winds from Santa Ana
F G
And that's the way I like it, and that's the way I like it
C Dm
She told me she'd love me like fireworks
F G
And that's the way I like it

C Dm F G
So please
C Dm F G
Baby please
C Dm F G
Open your eyes
C Dm F G
Catch my disease
