

# NINE MILLION BICYCLES

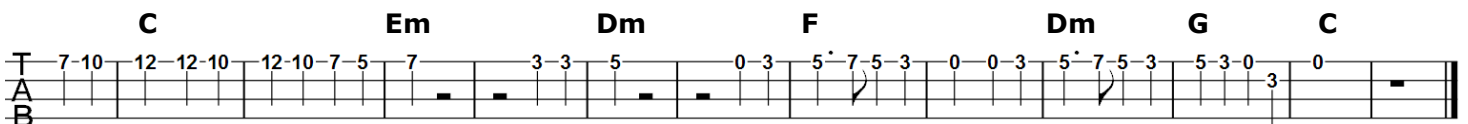

**C** **Em**  
 There are nine million bicycles in Beijing  
**Dm** **F**  
 That's a fact, it's a thing we can't deny  
**Dm** **G** **C**  
 Like the fact that I will love you till I die

**C** **Em**  
 We are twelve billion light years from the edge  
**Dm** **F**  
 That's a guess, no-one can ever say it's true  
**Dm** **G** **C**  
 But I know that I will always be with you

**Fm** **C** **G** **Am**  
 I'm warmed by the fire of your love everyday  
**Fm** **C**  
 So don't call me a liar  
**Dm** **F** **G**  
 Just believe everything that I say

**C** **Em**  
 There are six billion people in the world  
**Dm** **F**  
 More or less, and it makes me feel quite small  
**Dm** **G** **C**  
 But you're the one I love the most of all

**Fm** **C** **G** **Am**  
 We're high on the wire with the world in our sight  
**Fm** **C**  
 And I'll never tire  
**Dm** **F** **G**  
 Of the love that you give me every night

**C** **Em**  
 There are nine million bicycles in Beijing  
**Dm** **F**  
 That's a fact, it's a thing we can't deny  
**Dm** **G** **C**  
 Like the fact that I will love you till I die

**C** **Em**  
 And there are nine million bicycles in Beijing  
**Dm** **G** **C**  
 And you know that I will love you till I die
