

Slipping Away

Max Merritt and the Meteors

[C] Baby I've been watching you (*Baby I've been watching you*)
[Dm] Watching everything you do (*Watching everything you do*)
And I just can't help the feeling
Someone else is stealing you a**[C]**way from me
I see it written in your eyes
And **[Dm]** you confirm it with your lies
Though the web you weave can hold me
I would rather that you told me where you **[C]** wanna be

[F] Oo **[Dm]** oh slipping a**[C]** way from me
[F] Oo **[Dm]** oh slipping a**[C]** way from me
And it's **[Dm]** breaking me in two
Watching you slipping a**[C]**way

[C] Baby I've been watching you (*Baby I've been watching you*)
