

Hoffman's Brickworks – film launch

Sunday 17 February

Come along and celebrate Hoffman's Brickworks and its ongoing presence after two decades of campaigning.

Brunswick Secondary College – enter from Fallon Street

(Melways 29:F8)

2-5pm

Music and film launch 3-4pm

**Film launch and performance by Australian songwriter
Bruce Watson**

The film features interviews with former workers, reminding us that the manufacture of bricks, pipes and pottery were the economic backbone of Brunswick well into the 20th century.

And you can record your own stories of working in, growing up around or living near the brickworks.
