

MY LOVE IS LIKE A RED, RED ROSE

Words collected (and no doubt refined) by Robert Burns

Tune by Pietro Urbani

G **Em**
My love is like a red, red rose
C **D [D7]**

That's newly sprung in June;

G **Em**
My love is like a melody
C **D** **G**

So sweetly played in tune

G **C** **G**
So fair art thou, my bonnie lass,
C **D [D7]**

So deep in love am I;

G **C** **G**
And I will love thee still, my dear,
C **D** **G**

Till a' the seas gang dry.

G **Em**
Till a' the seas gang dry, my dear,
C **D [D7]**

And the rocks melt wi' the sun;

G **Em**
I will love thee still my dear,

C **D** **G**
While the sands o' life shall run.

G **C** **G**
So fare-thee-weel, my only love!
C **D [D7]**

And fare-thee-weel awhile!

G **C** **G**
And I will come again, my love
C **D** **G**
Though it were ten thousand mile
